TESTIMONIES

"In the Alpha course, you will not be pressured to become a Christian; I went through the Alpha course 3 times before I decided on my own to become a Christian." - Anton Widodo

"I used to think that all religions are the same until I attended the Alpha Course. It answered my misconceptions about God." - Reimond Quek

"The Alpha course is a great opportunity to understand Christianity. I now have a better understanding of who God is and the purpose of life. All participants started as strangers but ended up as friends. Most important, I had always felt welcomed." - Chang PS
